

LIBRARY HOTEL NEW YORK WINS "BEST LUXURY HOTEL UNITED STATES"

IN THE 2009 TRIPADVISOR TRAVELERS' CHOICE AWARDS

New York City, NY January 27, 2009 – [Library Hotel](#) New York was chosen as a "Best Luxury Hotel United States" by TripAdvisor® in its 2009 Travelers' Choice® awards. Now in its seventh year, the TripAdvisor Travelers' Choice awards honor the world's best hotels, earning their distinction from those who know them best – real travelers.

Unlike any other hotel awards program in the world, TripAdvisor® Travelers' Choice® winners are based on the millions of real and unbiased reviews and opinions about hotels on Tripadvisor.com™ and content from across the web.

"TripAdvisor travelers always appreciate great values, and 2009 is certainly no exception. The 2009 Travelers' Choice awards highlight more bargain properties than ever before with 190, nearly five times as many as last year," said Michele Perry, vice president of global communications for TripAdvisor. "Millions of real travelers worldwide have helped identify these outstanding hotels, recognized for their exceptional accommodations, service, and value."

Designed to feel more like a private club than a hotel, each of the Library's elegantly appointed accommodations have been individually adorned with a collection of art and 25-100 books based on one distinctive topic. The topics are organized throughout the hotel based on the Dewey Decimal System, with floors dedicated to the ten major categories including The Arts, Literature, Philosophy, and Language. Each of the Library Hotel New York City's guest room floors are dedicated to one of the ten major categories of the Dewey Decimal System*: Social Sciences, Literature, Languages, History, Math & Science, General Knowledge, Technology, Philosophy, The Arts and Religion. Personal service goes one step further as guests may request their room based on their interests such as the Literature floor, featuring subjects from Poetry to The Classics to Erotic Literature. Such intriguing room themes offered on the Math and Science floor are Astronomy and Botany. Law, Eastern Religion, Money, and New Media are also among the eclectic themes available on the room menu at The Library Hotel. Each of the 60 exquisitely appointed rooms have been individually adorned with a collection of art and books relevant to one distinctive topic within the category of the floor it belongs to. Choose your favorite or explore the unique delights of each room, one visit at a time.

The Library Hotel is a member of [HKHotels](#) in New York with four beautiful and popular hotels in New York City, all of which are ranked in the top 20 Hotels in New York by the members of TripAdvisor.
