**HKH**otels

Dear Fellow Travelers,

Hospitality has been my life and my passion since I arrived from the former Czechoslovakia at the age of 20. Here in New York, we have created a collection of small luxury hotels for your enjoyment, each with its own distinctive personality and flavor. Then, we found some of the nicest people who truly love to help others and we hired them and trained them to fully understand how to make our guests comfortable.

With thoughtfully designed properties and a staff of caring hoteliers, we feel our hotels and our people are uniquely empowered to enchant and delight visitors from around the world who desire a more personalized and authentic experience while visiting the most vibrant and exciting city in the world.

We are looking forward to the pleasure of welcoming you soon!
